Mr. Charles M. Kearns
United Aircraft Corporate Systems Center
1690 New Britain Avenue
Farmington, Connecticut

Dear Mr. Kearns:

I was interested to have your letter of 9 September 1963 indicating your plans for a new United Aircraft facility at Farmington, Connecticut.

I regret that I will be unable to be present at your Dedication Ceremony on 17 October 1963, primarily because of the press of responsibilities here at the Agency on that date. However, I extend my best wishes to you and your organization at this time.

Sincerely yours,

15/
